ESTABLISHMENT / BACKGROUND

1. National Institute of Design Madhya Pradesh (NID MP) is an autonomous institution under the Department for Promotion of Industry and Internal Trade (DPIIT), Ministry of Commerce and Industry, Govt. of India. The Institute has commenced academic activities for spread of design education, research, and practice from the Academic Year 2019-2020. NID MP has a 29.49 acre clean and green campus, where state-of-the-art ambience has been created by the appropriate use of technology and innovation. The Institute promises to provide the best institutional experience to the students.

2. NID MP was brought under the ambit of NID Act, 2014 through NID (Amendment) Bill, 2019, which after enactment by the Parliament and subsequent assent by the Hon'ble President, became NID (Amendment) Act, 2019 (No. 38 of 2019) on 29th November 2019. The corresponding Act has been published in the Gazette of India on 3rd December 2019. The said Act has come into force on 13th Jan 2020 vide a Gazette notification. Under provisions of the NID (Amendment) Act, 2019, NID MP is eligible to offer Bachelor Degree in Design (B. Des.), Master Degree in Design (M. Des.) and PhD Degree in Design. Presently, B. Des. programs in Industrial Design, Textile & Apparel Design and Communication Design are being taught.

About the campus:

3. The Institute is in the capital city of Madhya Pradesh, situated amidst beautiful topography surrounded by Vindhyan ranges. Bhopal has fast developed as one of the hub centres of higher education in the recent years, due to its central location, good infrastructure and governance. Raja Bhoj International Airport, Bhopal is just 10 km away from the Institute's location. A special industrial zone is currently being developed right next to the Institute at Acaharpura by the Madhya Pradesh Industrial Development Corporation (MPIDC). Some of the renowned industrial houses have shown interest in setting up a unit here, which will help NID MP to further strengthen its linkages with industry in years to come. The Institute shares boundary with MSME Technology Centre. The campus has been constructed on a plot of 29.93 acres, with state-of-the-art infrastructure including academic buildings, hostels, mess, academic block, library, workshops, auditorium, multi facility rejuvenation centre etc. NID MP has developed an eco-friendly campus, where several green initiatives have been adopted.

Programs Offered:

4. NID, Madhya Pradesh offers Bachelor of Design programs in the following disciplines:
- 1) **Industrial Design (ID)** program is dedicated to enabling the learning and development of extraordinary, innovative leaders who will bring new levels of creativity, vision, and integrity to the discipline. This extremely diverse program delivers to develop competitive edge in learners to be industry ready for all mass production-based industry through design. The program not only prepares to focus on the appearance of a product,

but also, on how it functions, is manufactured and ultimately the value and experience it provides for users.

- 2) **Textile and Apparel Design (TAD)** program is a unique program addressing Textile, fashion and interior designing requirement in its broadest spectrum. The program strikes a balance in the domains of textile product development and apparel designing. It is deep rooted in scientific processes of textile development and Garment manufacturing technology. Students will also develop high caliber and potential in both traditional handcrafted sector and sophisticated modern technology of textile and apparel industry. The program also strikes a balance with inputs in the areas of the art of design, the science of chemistry and the perspective of history in a rich, challenging learning environment at the creative forefront of the textile industry.

- 3) **Communication Design (CD)** program deals with the extreme diversity that lies within the broad spectrum of this discipline. Systems-based approach is delivered dealing with the totality of media and messages within the culture or an organisation as a singular integrated process. Design skills are accordingly developed to be customized to specific orientation of every cultural interface, people, organisation as an interface and experiential factor. Learner is exposed to various sub domains of this wide field through various studio assignments and eventually they choose to major in one of the specialised domains.
