

UNIQUE CONNECTIONS

DNA is the element that **all of us share but it also makes us unique**. The first convocation acts as a milestone that celebrates the uniqueness of each individual. Our paths **intersect, as we learn and evolve in our own ways**. Even as the community grows and branches out into **infinite directions**, it shall always stay connected.

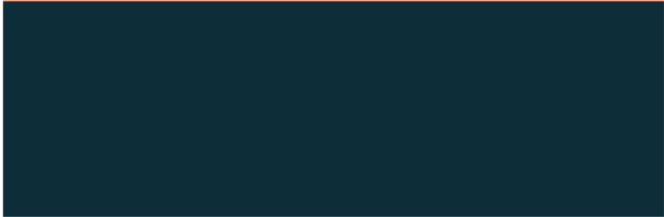

Unique | Intersection | Infinite | Growth

Warmth, Energetic

Positiveness, Youthful

Responsibility, Integrity

Unique, Calm

Reliable, Peaceful
