

Organizes

First Design Conference

@ NID MP

Insights, Inclusions and Innovations (I³)

15th and 16th December 2023

All the accepted papers will be published in Conference Proceedings with ISBN Number

About The Institute

NID MP, an esteemed institute under the DPIIT, Ministry of Commerce and Industry, Government of India, is a shining beacon of creativity and national importance. Situated amidst the serene beauty of Acharpura in Bhopal, this captivating campus spans 29.49 acres, blending nature's splendor with cutting-edge technology and innovative design. NID MP firmly believes in nurturing artistic imagination, lofty aspirations, boundless innovation, and unwavering excellence through quality teaching. With a diverse student body and dedicated staff, it fosters a vibrant and culturally rich environment, where creativity knows no bounds.

NID MP offers three programs — communication design, industrial design and textile & apparel design. Students embark on a transformative journey starting with a comprehensive one year foundation course. They then choose their desired program, guided by their passions and achievements. Over the following three years, they delve deep into their chosen field, acquiring profound knowledge and honing their skills.

Upon completion, these exceptional individuals proudly graduate with a distinguished Bachelor of Design degree, a testament to their remarkable achievements and the unwavering commitment of NIDMP. Guided by a learner-centered approach, NID MP cherishes each student's unique potential, fostering an atmosphere of care and dedication. Simultaneously, it cultivates a spirited environment of healthy competition, fueling perpetual growth.

About The Conference

In a world where innovation is a collective effort, our conference stands as a beacon of collaboration, where academia, industry, researchers, and designers unite under one roof. The participants shall experience a unique fusion of knowledge and creativity as thought leaders from diverse backgrounds converge to share their insights and visions. Our conference isn't just a gathering; it's a dynamic platform where academia inspires industry, researchers spark innovation, and designers redefine possibilities. Join this unparalleled opportunity to foster interdisciplinary connections that transcend traditional boundaries. The National Level Design Conference Insights, Inclusions and Innovations is the gateway to a world where collaboration breeds groundbreaking design solutions, propelling us into a future shaped by the synergy of academia, industry, researchers, and designers.

The conference has a series of Key Note Lectures where eminent professors will be sharing their experiences to the Design community. Be part of the National Level Design Conference, where the future is being shaped today!

CORE

CONVERGENCE OF
RESOURCES & ECOSYSTEMS

FDDI-IIIFT-IIP-NID's-NIFT

Participation Fee (Includes Conference Kit, Lunch and Refreshments)

Category	Early Bird Registration (in Rs.)	Registration with Late Fee (in Rs.)
Industry Delegate	3540	4130
Presenter (Faculty)	2950	3540
Participant (Faculty)	1770	2360
Research Scholar	1180	1770

Above Fee is inclusive of GST

Important Dates (Extended)

Full Paper submission: 20/11/2023

Intimation of acceptance and

last date of registration :27/11/2023

Authors are solely responsible for Plagiarism

Please refer NID MP website for further guidelines

This Conference will encompass a series of events and activities including but not limited to

Key Note Lectures

- NEP 2020 in Design Education
- Design Thinking and Pedagogy
- The Intersection of Technology and Design (AI, AR/VR, and IoT)
- The Impact of Design on Social Change
- Designing for the Metaverse
- The Role of Design in Innovation Ecosystems

Paper Presentation (for Industry, Faculty & Researchers)

- Sustainable Design (Materials, Process, Products)
- Design Thinking and Curriculum Development
- Inclusive Design Education and Pedagogy
- Design Ethics and Responsibility
- Designing of Apparel and Technical Textiles (From Fibre to Finished Garment)
- Artificial Intelligence in Design
- Innovative Methods in Industrial Design
- Explorations and Innovations in Communication Design

Who can Attend ?

- All the interested members of Industry / Faculty / Fashion / Technology Institutions
- Candidates aspired to become a faculty in Design / Fashion / Technology.

Scientific Advisory Committee

- Dr. Sridharan, Senate Member (NID MP), Former Director (SPA, Bhopal)
- Shri Rajesh Kumar Mishra, IRS, Director IIP & Additional DGFT
- Shri. Lt.Col Pankaj Kumar Sinha, Secretary / Managing Director, FDDI
- Dr. Satinder Bhatia, Director and Dean, Professor, IIFT
- Dr. Kailasa Rao M, Director, SPA Bhopal
- Dr. C.C.Tripathi, Director, NITTTR, Bhopal
- Dr. Karunesh Kumar Shukla, Director, MANIT Bhopal
- Dr. Aneesha Sharma, Head, DoD, IIT Delhi
- Dr. Sougata Karmakar, Head, DoD, IIT Guwahati
- Dr. Prasad Onkar, Head, DoD, IIT Hyderabad
- Dr. Nachiketa Tiwari, Head, DoD, IIT Kanpur
- Dr. Inderdeep Singh, Head, DoD, IIT Roorkee
- Dr. Avinash Shende, Professor, IDC School of Design, IIT Bombay
