One Week Residential Summer Workshop for School Students
and Design Enthusiasts

About the Institute

NIDMP, an esteemed institute under the DPIIT, Ministry of Commerce and Industry, Government of India, is a shining beacon of creativity and the institute of national importance. Situated amidst the serene beauty of Acharpura in Bhopal, this captivating campus spans 29.49 acres, blending nature's splendor with cutting-edge technology and innovative design. NIDMP firmly believes in nurturing artistic imagination, lofty aspirations, boundless innovation, and unwavering excellence through quality teaching. With a diverse student body and dedicated staff, it fosters a vibrant and culturally rich environment, where creativity knows no bounds.

NIDMP offers three programs namely communication design, industrial design and textile & apparel design. Students embark on a transformative journey starting with a comprehensive one year foundation course. They then choose their desired program, guided by their passions and achievements. Over the following three years, they delve deep into their chosen field, acquiring profound knowledge and honing their skills.

Upon completion, these exceptional individuals proudly graduate with a distinguished Bachelor of Design degree, a testament to their remarkable achievements and the unwavering commitment of NIDMP. Guided by a learner-centered approach, NIDMP cherishes each student's unique potential, fostering an atmosphere of care and dedication. Simultaneously, it cultivates a spirited environment of healthy competition, fueling perpetual growth.

Summer Workshop for Design Enthusiasts

Join us at the National Institute of Design, Madhya Pradesh (NIDMP), as we embark on an exhilarating journey of creativity and skill enhancement through our Mega Summer Workshop. From the 26th to the 31st of May 2024, NIDMP opens its doors to design enthusiasts, inviting them to explore, learn, and innovate in an immersive environment.

At NIDMP, we believe in nurturing talent and fostering creativity. Our summer workshop is designed to provide participants with a unique opportunity to unleash their creative potential, enhance their skills, and delve into the world of design education. Through a series of engaging activities and hands-on experiences, participants will discover the transformative power of design and its applications in various domains.

Dive into the realm of Model Making, where imagination takes shape and ideas come to life. Delve into the art of Calligraphy, mastering the intricate strokes that define elegance and style. Explore the versatility of Clay Design, molding and sculpting creations that reflect your vision. Immerse yourself in the vibrant hues of Tie and Dye, and unravel the secrets of this ancient craft. Experience the rich tradition of Weaving, as you learn the techniques passed down through generations. Engage in insightful Design Talks, where experts share their knowledge and experiences, inspiring new perspectives and ideas.

Join us at NIDMP's Mega Summer Workshop and embark on a journey of creativity, learning, and discovery. Unleash your potential, ignite your passion, and chart a course towards a future filled with endless possibilities. Come, be a part of this transformative experience and let your creativity soar to new heights.
