

DESIGN SHIVIR 3.0

05 TO 09 MAY, 2025

One Week Residential Summer Workshop for
School Students and Design Enthusiasts

Summer Workshop for Design Enthusiasts

At NIDMP, we believe in nurturing talent and fostering creativity. Our summer workshop is designed to provide participants with a unique opportunity to unleash their creative potential, enhance their skills, and delve into the world of design education. Through a series of engaging activities and hands-on experiences, participants will discover the transformative power of design and its applications in various domains.

About the Institute

NIDMP, an esteemed institute under the DPIIT, Ministry of Commerce and Industry, Government of India, is a shining beacon of creativity and the institute of national importance. Situated amidst the serene beauty of Acharpura in Bhopal, this captivating campus spans 29.49 acres, blending nature's splendor with cutting-edge technology and innovative design. NIDMP firmly believes in nurturing artistic imagination, lofty aspirations, boundless innovation, and unwavering excellence through quality teaching. With a diverse student body and dedicated staff, it fosters a vibrant and culturally rich environment, where creativity knows no bounds.

NIDMP offers three programs namely communication design, industrial design and textile & apparel design. Students embark on a transformative journey starting with a comprehensive one year foundation course. They then choose their desired program, guided by their passions and achievements. Over the following three years, they delve deep into their chosen field, acquiring profound knowledge and honing their skills.

Upon completion, these exceptional individuals proudly graduate with a distinguished Bachelor of Design degree, a testament to their remarkable achievements and the unwavering commitment of NIDMP. Guided by a learner-centered approach, NIDMP cherishes each student's unique potential, fostering an atmosphere of care and dedication. Simultaneously, it cultivates a spirited environment of healthy competition, fuelling perpetual growth.

Who Can Attend?

Any design enthusiast who is studying in 8th standard or above can attend the workshop (Age no bar).
