- h) Any act that poses a threat to the safety, security, or well-being of other residents

Q.17 How is the Mess Facility at the NID MP Campus?

The Institute provides a mess facility for all residents, healthy and hygienic meals in a communal dining environment. The menu is thoughtfully curated to offer balanced food choices by the Mess Committee & students' representative.

Mess timings & Menu are clearly displayed on designated noticeboards within the dining areas. All students are expected to strictly adhere to these timings to ensure smooth operations, minimize food wastage, and maintain discipline within the mess premises.

The functioning and quality of the mess services and operational efficiency are reviewed on a periodic basis by the Institute and the Mess Committee.

Note: The mess facilities for students of the Graduation Project (8th Semester) shall be provided on an advance payment basis, as specified in the fee notification. The mess charges will be calculated on a pro-rata basis, based on the actual usage of the facility.

Q.18 What kind of Sports and Recreational Facilities are available on the campus?

The Institute offers a range of indoor and outdoor sports facilities to promote physical fitness, teamwork, and overall well-being among students. Well-maintained infrastructure supports games such as badminton, table tennis, volleyball, cricket, football, and other recreational sports, encouraging active participation and a healthy lifestyle.

In addition to sports, the Institute also provides a variety of musical instruments for students' recreational and creative engagement. These resources serve as a platform for students to explore their musical interests, relieve stress, and foster a vibrant and culturally rich campus atmosphere.

Enhancing the student experience, our hostels offer a fully air-conditioned common room. This vibrant space is perfect for unwinding, with a 65-inch TV for entertainment and a range of indoor game facilities to encourage social interaction and recreation.

Q.19 What are the medical facilities on campus?

The Institute provides basic healthcare support through an on-campus Dispensary for general health issues. The medical team includes two visiting doctors, one General Physician (MBBS) and one Gynecologist who are available at scheduled times. In addition, two nursing staff members (one male and one female) are available on campus to handle first-aid, minor ailments, and immediate care needs. Each hostel is equipped with a dedicated sick room where students can examine under supervision in case of illness. Nursing staff are available on a rotation basis to monitor students in sick rooms when required.

For medical situations that require specialist consultation, expert treatment, or hospitalization, students are expected to make their own arrangements. However, in case of emergencies, the Institute ambulance is supported to transport the patient to a nearby hospital.

In the event of a medical emergency, illness, or hospitalization of a student, the Institute will promptly inform the parents or guardians. Upon receiving such communication, it is the responsibility of the parents/guardians to respond without delay. They must immediately coordinate with the hospital authorities to stay informed about the student's condition and, if deemed necessary by medical personnel, decide to be physically present at the hospital. Parents are also expected to ensure that appropriate medical treatment is completed and to assist in making any critical decisions related to the student's care.

Q.20 What psychological support facilities are available on campus?

The Institute provides psychological counselling and support services to promote the emotional well-being and mental health of students. A professional psychologist/counsellor is available to offer guidance and support to students who may require assistance with personal, emotional, or academic stress-related concerns.

Students may avail themselves of these counselling services through in-person consultations on campus or through telephonic discussions, as per the availability and scheduled timings of the counsellor. Further details regarding the counselling facility may be obtained from the concerned stakeholder or through official Institute communications.

Q.21 Whether there is any ambulance facility?

Yes, the Institute provides 24*7 ambulance facilities for students in case of medical emergencies or hospitalization, the on-duty nursing staff will accompany the ailing student to the hospital, offering necessary medical assistance and support during transit.

Q.22 Does NID MP charge for Amenities Fee ?

Yes, National Institute of Design Madhya Pradesh does charge an Amenities Fee as part of its non-tuition fee structure from the Academic Year 2026–27 onwards. The revision/addition of non-tuition fee components was thoroughly examined by the Institute and subsequently approved by the Hon'ble Senate and Hon'ble Governing Council, NID Madhya Pradesh.

The revision has been undertaken to ensure continuity and quality enhancement of student facilities and services, to enable further upgradation and future expansion of academic and co-curricular infrastructure, to promote financial sustainability of student support initiatives, to maintain transparency and justification through linkage with actual expenditure and to align the Institute's fee structure with prevailing norms in Central Government Autonomous Institutions.

The fee being charged towards amenities covers only a portion of the actual expenditure incurred by the Institute on these as well as several other amenities, and the entire actual financial burden is never being passed wholly to the students.

Q.23 What was the rationale behind introducing a separate Library & Learning Resource Facilities Fee?

The Institute has been providing extensive library services, learning resources, digital platforms, subscriptions, and related academic support facilities since its inception. However, no dedicated fee component previously existed for these services. Considering the substantial increase in expenditure on library subscriptions, learning resources, and digital platforms, a nominal annual Library Fee & Learning Resource Facilities charge has been introduced to support the continuation, upgradation, and expansion of these facilities.
