LIMITED TENDER ENQUIRY (LTE) FOR CLOUD HOSTING SERVICES FOR OFFICIAL WEBSITE OF THE NATIONAL INSTITUTE OF DESIGN, MADHYA PRADESH

BY MAIL

LTE Enquiry No. NIDMP_IT/LTE/E-674/001

Date: 05/11/2026

To,

The Empaneled Cloud Service Provider
(Name & Address of the bidder)

Subject: Limited Tender Enquiry (LTE) for Cloud Hosting Services for the Official Website of the National Institute of Design, Madhya Pradesh (NID MP)

Dear Sir/Madam,

The National Institute of Design, Madhya Pradesh (NID MP), invites sealed bids/quotations from eligible and empaneled Cloud Service Providers (CSPs) for providing cloud hosting services for the Institute's official website, in accordance with the terms and conditions specified in the tender document.

The tender document is enclosed herewith for your reference. Interested bidders are requested to carefully examine the tender document and submit their offers, including prices and complete terms and conditions, in accordance with the prescribed requirements and within the stipulated time. The important Timeline of the bid is as follows:

Last Date and Time for Submission of Bids: 26.11.2026 (06:00PM).
Mode of Submission: As specified in the tender document.

For any clarification regarding the tender, bidders may contact the Purchase Section, NID MP, through the contact details provided in the tender document. For further information, please visit the official website of NID MP: https://nidmp.ac.in & https://nidmp.ac.in/tenders/

8	Technical Bid Compliance Sheet **(Appendix B)**	18-19
9	Bidder Information & Check List	20-21
10	Annexure (Tender acceptance Form)	22-23

INSTRUCTIONS TO THE BIDDERS

1. Please go through the instructions contained in this document carefully for bidding.

2. For clarifications if any, please mail to procurement@nidmp.ac.in .

3. The bid should remain valid for a period of 120 **days** from the date of opening.

4. **Type of Bid: Two packet Bid (Refer point 6)**

5. **Submission of bids:** Bidders shall submit their bids in physical form by depositing the same in the designated tender box available at the Main Gate of NID MP.

6. **Bidders shall submit the Technical Bid and Financial Bid in two separate, duly sealed envelopes, clearly superscribed with the Tender/Bid Number and marked as "TECHNICAL BID" and "FINANCIAL BID", respectively. The name and address of the bidder shall be clearly mentioned on the back of each envelope. Both sealed envelopes shall be placed together in a single outer envelope, duly sealed and marked with the Tender/Bid Number, and deposited in the designated tender box at the Main Gate of NID MP**

7. The bidder shall ensure that all documents submitted for evaluation, including the Technical Bid and Financial Bid, are duly signed and stamped on each page by the authorized signatory. Failure to comply with this requirement may render the bid liable to rejection.

8. **Bid Security (BS)/Earnest Money Deposit (EMD):** The bidder shall furnish a Bid Security/EMD of ₹16,000/- (Rupees Sixteen Thousand Only) along with the bid. The Bid Security shall be submitted in the form of Demand Draft (DD), Earnest Money Deposit (EMD), Fixed Deposit Receipt (FDR), or Performance Bank Guarantee (PBG), as applicable and permitted under the tender conditions. The original Bid Security instrument, wherever applicable, shall be placed in the sealed Technical Bid envelope and submitted along with the Technical Bid documents.

9. Exemption from submission of Bid Security/EMD shall be applicable to eligible Micro and Small Enterprises (MSEs) in accordance with the prevailing Government of India rules, policies and guidelines, subject to submission of valid documentary proof of eligibility along with the Technical Bid

10. Any bid without EMD not secured in accordance with above will be rejected by the Institute as non- responsive.

11. **Period of Contract:** The contract shall be for an initial period of three (03) years from the date of commencement of the contract. The contract may be extended for a further period, subject to mutual consent of both parties and in accordance with the applicable rules, regulations and guidelines of the Government of India. The terms and conditions, including rates, during the extended period shall be as mutually agreed upon in writing and as permitted under the applicable rules.

12. The rates should be quoted both in figures and words. In case of any discrepancy between the rates in figures and that in words, the rate in words will be accepted as correct.

13. Each bidder shall submit only one bid. A bidder, who submits more than one bid, shall be disqualified and considered non-responsive.

14. The bidder has to sign and upload the acceptance of tender terms as per Annexure-I compulsorily.

15. The Bidder/Tenderer shall indicate unit prices in the prescribed format only.

16. The bid security of unsuccessful Bidder/Tenderer will be discharged /returned as promptly as possible but not later than 30 days after the expiration of the period of bid validity or placement of order whichever is later.

17. The successful Bidder/Tenderer's bid security will be discharged normally within 30 days after the completion of supply order.

18. The complete Tender Document may be viewed and downloaded from the official website of National Institute of Design, Madhya Pradesh (NID MP), at https://nidmp.ac.in/tenders/, during the tender publication and bid submission period.

19. Incomplete tenders shall be liable for rejection without seeking any further clarification. We also reserve the right to reject any or all tenders without assigning any reasons whatsoever.

20. **Delivery/Execution period**: Delivery should be made according to time schedule which will be intimated at the time of placement of the work order.

21. **Delayed delivery/ Execution**: In case of delayed delivery of the goods/ services a penalty of **0.5% per week or part of thereof** ***subject to maximum of 10% will be recovered from the firm of the value of undelivered goods/services. Request for extension in delivery period should be made before the last date of supply as mentioned in Purchase Order.***

22. **Non delivery beyond extended period:** If the bidder fails to execute the order within the delivery period as mentioned in the order, the order will be cancelled and EMD will be forfeited by the institute. In case of incomplete supply of services / goods even in extended period, EMD will be forfeited and payment of the supplied items will be released after recovering the penalty for delay in delivery of goods.

23. The bidder need to submit the following certificates along with the Tender Documents to confirm their eligibility in this part :

i. Proof of establishment of Firms/shop/business/ manufacturing unit etc.

ii. The GSTIN certificate should be enclosed as per the applicability.

iii. The bidder should enclose Photocopy of PAN card issued in the name of the bidder's firm/ in the name of proprietor in case of proprietorship firm.

GENERAL TERMS & CONDITIONS

1. The bidder shall provide comprehensive technical support, including troubleshooting, maintenance and resolution of service-related issues, throughout the entire contract period, in accordance with the scope of work and service requirements specified in the tender document.

2. NID Madhya Pradesh reserves the right, in accordance with applicable rules and regulations, to waive minor or non-material irregularities in the bids and to accept or reject any bid, in whole or in part, or reject all bids, without assigning any reason thereof. Such decisions shall be subject to the applicable Government of India procurement rules and guidelines.

3. The bidder shall sign and stamp each page of the tender document, including all annexures and attachments, through its authorized signatory and submit the duly signed and stamped documents along with the bid.

4. NID Madhya Pradesh intends to avail cloud services from the selected service provider for the contract period specified in this tender. The selected service provider shall enter into a formal agreement with NID Madhya Pradesh incorporating the terms and conditions of the tender. NID Madhya Pradesh reserves the right to terminate the contract, in accordance with the applicable rules and contractual provisions, by giving one month's prior written notice to the service provider.

5. The bidder/service provider shall maintain strict confidentiality and ensure the security and integrity of all data, information and records accessed, processed, stored or generated during the execution of the contract. The bidder/service provider shall not disclose, share, transfer or use such information for any purpose other than the performance of the contract, except with the prior written authorization of NID Madhya Pradesh or as required by law. These obligations shall continue to apply even after the expiry or termination of the contract.

6. The detailed Scope of Work, eligibility criteria, payment terms and conditions, and other relevant requirements are specified on this tender document. Bidders are required to carefully examine and comply with all such provisions before submitting their bids.

7. **Jurisdiction:** Any dispute or legal proceedings arising out of or in connection with this tender or the resulting contract shall be subject to the jurisdiction of the competent courts at Bhopal, Madhya Pradesh.

SPECIAL CONDITIONS OF THE CONTRACT

1. The selected bidder shall provide complete technical documentation and all access credentials upon successful completion of migration.
2. All website data, backups, source files, databases, configurations, and access credentials shall remain the sole property of the Institute & should not be shared other than the Institute's IT Team.
3. Hosting infrastructure / data center should be in India. The hosting infrastructure should be a MEITY-empaneled cloud.
4. Administrative access to the hosting environment shall be through secure authentication mechanisms and role-based access control.
5. The bidder should have a minimum of 03 years' experience in providing web hosting services in Government / Govt. Educational Institutional websites.
6. The bidder shall maintain strict confidentiality of all Institute data and shall not disclose any information to any third party.
7. The bidder should be a registered company/firm/proprietorship.
8. The bidder should possess valid GST registration.
9. The bidder should not have been blacklisted by any Government organization/PSU.
10. Appropriate security mechanisms and best security practices shall be implemented to safeguard the website, hosting infrastructure, and associated data.
11. The bidder should be well acquainted with the Government of India website hosting norms, rules, guidelines, and regulations, and shall be competent to implement the necessary changes/incorporations on the website and hosting environment as and when notified by the Govt.
12. Any amendments, advisories, security guidelines, or updates issued by the Government of India from time to time shall be adhered to by the bidder without additional cost implications unless otherwise specified by the Institute.
13. The hosting environment should comply with standard security and Government of India's website guidelines (**GIGW 3.0**) or any other website-related guidelines of Govt. of India, wherever applicable.
14. The bidder shall proactively monitor the hosting environment and notify the Institute in case of any outage, security incident, or abnormal activity.

15. The initial contract period shall be for Three (03) Years, extendable for a further period based on satisfactory performance and mutual consent.

16. The Institute reserves the right to terminate the contract in case of unsatisfactory services by providing a notice period of one (01) month.

17. Payment shall be made on a quarterly basis upon submission of the Preventive Maintenance Report (PMR) for the respective quarters.

18. The bidder shall provide necessary support during transition/exit at the end of the contract period for migration to another service provider, if required.

19. The bidder should be registered with any Govt. Depts i.e., Central Govt./State Govt./ PSU OR registered under SME/NSIC OR registered under Shop & Establishment Act/ Companies Act along with GST registration and valid Permanent Account Number PAN.

20. The bidder must be in operation in India for a period of at least 3 years as on last date of bid submission.

21. The Cloud Service Provider should be listed under Ministry of Electronics and Information Technology (MeitY), Govt. Of India website (http://meity.gov.in/content/gi-cloudmeghraj) for Cloud Service providers (CSPs).

22. The bidder must have successfully executed similar cloud project in Government/ Semi Government/Autonomous Organizations/ Public Sector Utilities/ Private Sector in India as main contractor.

23. The bidders should have average annual turnover of at least an average value of Rs 30 Lakh (Thirty Lakhs Only) during the last three Financial Years. Bidders should enclose the supporting document in support of annual turnover.

24. The bidder must submit compliance sheet for the attached technical specification of required services/equipment. In case of a deviation or non-submission of compliance sheet the bid is liable to be summarily rejected. **(Appendix A & B)**

25. The Contractor shall not outsource, assign, transfer, sublet, or subcontract the whole or any part of the Contract to any third party without the prior written approval of the Competent Authority. The Contractor shall remain solely responsible for the execution of the Contract and compliance with all contractual terms and conditions. Any violation of this clause may result in termination of the Contract and such other action as deemed appropriate by the Institute.

SCOPE OF WORK FOR PROVIDING WEBSITE HOSTING SERVICES AND SMOOTH MIGRATION OF THE INSTITUTE'S OFFICIAL WEBSITE FROM THE CURRENT HOSTING PLATFORM

Background

The Institute's official website is currently hosted on a Linux-based shared hosting server through a third-party hosting provider and administered using cPanel.

Scope

The selected bidder shall be responsible for smooth migration and continued hosting support without any data loss or service interruption. The selected bidder shall undertake complete migration of the existing hosting environment, including all associated services and configurations.

The scope of work should include, but not be limited to, the following:

1. Provision of dedicated hosting environment (MEITY-empaneled cloud service provider) with dedicated IP. The dedicated IP address of the hosting environment shall be secured and appropriately masked/protected from unnecessary public exposure to minimize security risks.

2. Complete migration of the existing hosting account from the current hosting provider to the new hosting environment. Migration shall include all existing services configured in cPanel, including but not limited to:
   - Website files and applications
   - Databases
   - DNS records
   - Domains/Subdomains
   - Email configurations
   - SSL configurations
   - Any other related service currently running in the cPanel

3. Ensuring zero/minimum downtime during migration.

4. Ensuring no data loss during migration.

5. Configuration and maintenance of automatic backup mechanisms.

6. Providing technical support during the contract period.

7. Monitoring uptime and server/ cloud hosting health.

8. Applying regular security patches and updates for the hosting environment.

9. Providing OS/server hardening, vulnerability assessment, and penetration testing (VAPT).

10. Providing support in mitigation/removal of vulnerabilities identified during the Institute's security audit. The Service Provider shall promptly address and rectify all vulnerabilities, observations, and security-related findings pertaining to the hosting environment as identified by the Website Security Audit Team from time to time. Compliance reports, along with evidence of remediation, shall be submitted to the Institute's IT Team within the stipulated timeframe, and the observations shall be formally closed only upon acceptance by the Institute.

11. Providing technical support, access logs & any other related data during intrusions /defacement or any security incidents as required by CERT-In.

12. Providing Business Continuity and Disaster Recovery (BCDR) mechanisms to ensure the uninterrupted availability of critical academic, administrative, and IT services in the event of security incidents, system failures, natural disasters or other disruptions.

13. Providing support for SSL certificate installation, DNS management, and related hosting services.

14. Serviceability of 99.5% per year is to be ensured. This amounts to total maximum downtime of 02 days per year. Also, unserviceability should not exceed 02 days including weekly off and public holidays at one time. Total down time would be calculated at the end of the year. If downtime exceeds permitted downtime, LD would be applicable for the said period.

15. The service provider shall coordinate with the NID MP's IT Team & the Website Frontend/maintenance team as necessary & required by the NID MP's IT Team.

16. All prices shall be quoted in Indian Rupees (INR) only. No advance payment shall be made for any activity.

17. The usage of cloud services/resources shall be tracked separately, and invoices shall be raised based on the actual usage by NID Madhya Pradesh.

18. Billing shall commence from the date of deployment of the respective services/resources on the cloud.

Migration Requirements

The bidder shall ensure the following during migration:

1. Complete migration of existing hosting accounts from current hosting provider.
2. Migration shall include all existing services currently running under cPanel.
3. No loss of website data, databases, DNS entries, domains, emails, or configurations.
4. Minimal downtime during migration activity.
5. Proper testing and verification after migration.

6. Coordination with Institute IT officials & Website Frontend/maintenance team during the migration process.
7. Rollback support & mechanism in case of migration failure.

Delivery Schedule

Sno	Parameter	Timeline
1.	Provisioning of VM infrastructure, Network connectivity and all the related services as specified in Table 1 of Page 9	Within a week from the date of signing of contract agreement.
2.	Operational readiness (Smooth migration & hosting of the website & data thereof)	Within 2 weeks after provisioning the services
3.	Operation and maintenance phase	Will start from the date of operational acceptance provided by NID MP's IT team after smooth migration & Stabilization of the website on the new hosting platform

Total Bid Price In words: _____

Business Address **Seal and Signature of Bidder**

Note:

1. Please specify the unit rate of each of the above items in INR only.

2. Cloud Services and quantities mentioned in the above table are only tentative, the actual Cloud services and quantities consumed will depend on the applications enabled on cloud.

3. While preparing this document, NID Madhya Pradesh tried to cover all relevant information. However, bidder should examine this document for technical feasibility and bring out any omissions in a separate chapter under "Deviation Statement", in their "Bid" with relevant write-up and any such inclusions must be factored in in their commercial bids. Once the bid is technically acceptable & commercially evaluated, it is the responsibility of the vendor to complete the Project, as per the Scope, without any further commercial impact to NID Madhya Pradesh.

4. It is the Bidder's responsibility to carefully review this document and understand the scope of work while quoting for the bid. This Project is to be completed as defined in the Scope of work. Any hardware required for executing the project & not listed in this tender will be considered only in bidder's account and bidder must consider all such costs while submitting bids.
